

Black Lives Matter

June 2020

In view of the abhorrent death of George Floyd and the nation-wide protests currently raging, Sunnyvale Sister City Association (SSCA) wants to be a part of positive changes. That has always started with treating all people with dignity and respect. The SSCA supports the rights of all people to engage in peaceful protests and dialogue. We believe the grassroots activities to understand other cultures will develop meaningful approaches to mitigating racism and inequality in our society.
